

Reimbursement support services

NuVasive recently launched new reimbursement support services to help you with the complexities of coding, authorizations, denials, and to provide reimbursement training and education.

Patient Assistance Line

To provide reimbursement appeals support to patients who have been denied access to NuVasive products by commercial insurance companies

Cynthia@patientassistanceline.com | 502.231.3466

NuVasive Coding Hotline

To support customers with coding questions and other services tied to medical policy

Reimbursement@nuvasive.com | 800.211.0713

Coding education and training

To educate and train surgeons and staff about coding related to NuVasive products and procedures

MMorningstar@nuvasive.com | 843.425.6135
