RE: Certification of Accuracy—9514609 Rev B-Pulse Product Reference Manual

### CERTIFICATE

We hereby certify that the above referenced document has been translated from English into Greek in accordance with the ABAERMIS quality and risk management systems, which have been judged to be compliant and effective for its intended purpose through independent, third party audit.

The translated material has been produced and verified by qualified resources within a validated process that reflects current best practice. The translated material conforms to accepted current language usage (e.g., grammar, spelling, style, and industry-specific terminology) at a level of accuracy that is appropriate to its intended use. The material properly conveys the intended meaning of the English language original.

This is a full certification of original material and/or material previously certified by ABAERMIS.

This is a partial certification of updated material not previously certified by ABAERMIS.

We hereby declare that all statements made herein of our own knowledge are true and that all statements made on information and belief are believed to be true.
